

Dear NCCN Members:

I just want to start by saying, I hope all of you are well and safe. These are certainly challenging times for all of us, but I want you to know that the NC MWBE Coordinators' Network is standing strong with you! I know renewing your membership seems small in comparison during a Covid 19 pandemic to all the other things going on in our State and Country, but this organization is small but mighty and cannot sustain without you, our members.

It's time to renew your 2020 - 2021 membership! We understand due to a lot of mitigating factors, members may not be able to pay for their renewal during this difficult time. This year NCCN will again implement the renewal grace period. If you renew by June 30, 2020 your organization will receive a **20% discount**. Of course, I understand that your budget has not been approved for the upcoming fiscal year, but if you request an invoice before June 30th, you can still take advantage of the early bird discount. Our Secretary will send you an invoice dated for July 1, 2020. Just contact her at secretary@mwbecoordinators.org to receive your invoice.

Even though we have been social distancing, the Board and Committee Chairs have been working hard on bringing you the regular quarterly meetings, the Professional Development Conference, and other programs. My hope is that we will all be together in person again soon, but our meetings may have to be virtual. If so, I want you to know that your support of the NC MWBE Coordinators' Network is still valued.

Don't miss this opportunity to connect with your colleagues and be a part of the growth and changes to come in the next year. Please join us for another successful year by renewing your membership today! Click on the following link to obtain a [Printable Membership Form](#), visit our website at www.mwbecoordinators.org to submit your application, or contact our secretary to get an invoice. The special **early bird discount** will only be available if you renew by **June 30, 2020**. As always, I thank you for your continued dedication to our minority and women business community, and we look forward to seeing you next year because **"Together We Are Stronger!"**

Sincerely

Pamela Gales

President
NC MWBE Coordinators' Network
